Join us for a mechanic's lien presentation that will cover:

- Overview of Mechanic's Liens
- Filing and Timing Requirements
- Private vs. Public Projects
- Discharging the Lien
- Foreclosing the Lien
- Defenses to the Lien, Including Willful Exaggeration

Presenter: Daniel E. Sarzynski, Esq. is a partner with the law firm Rupp Baase Pfalzgraf Cunningham LLC. Dan practices in the area of construction law, and his services include mechanic's liens, surety bond claims, contract negotiations, bid disputes, delay and impact claims, and other payment and performance claims. Dan represents clients in state court, federal court, mediation, and arbitration. He is the past President and a current board member of the CFMA Niagara Frontier Chapter. He sits on the Board of Governors of the Construction Exchange of Buffalo & WNY and he is the Chapter Attorney for the Subcontractors Association of WNY.
