Join us for this presentation that will review and de-mystify the “Top 20” most common and important construction contract clauses such as:

- Change orders
- Differing site conditions
- Scope of work and incorporation by reference
- Payment
- Insurance and Indemnity
- Delays
- Pay-if-paid/Pay-when-paid
- Suspension and Termination
- Warranties
- Arbitration and Dispute Resolution
- Liquidated damages

Participants will review sample contract provisions, understand key terms, get practical tips and points for negotiation. Your contract is your work, so be sure you understand it.
