

Melissa Kowalczyk- Plan Room Coordinator

Melissa joined the Exchange in 2019. She is responsible for finding, coordinating and maintaining the construction projects for the Online Plan Room. She also speaks to the architects, engineers, general contractors, sub-contractors, municipalities and construction managers.

When she is not working, she enjoys taking care of her family. Melissa has two beautiful daughters, Caitlin and Stefanie. They are both in high school. Caitlin is a Senior and Stefanie is a Sophomore. Both of her girls are on the varsity soccer team for their school. Watching them play is on the top of her list. Melissa and her husband Peter just celebrated their 20th wedding anniversary.

Melissa also loves her cats, she has 3 of them. She also has a passion for seashells... If seashells were a birthstone, that would be Melissa's.
