With Covid-19 numbers on the decline, employer responsibilities are evolving. New York employers face new rules for sick leave, vaccinations, Covid policies, OSHA enforcement, wage and hour laws, and more.

Attorney Stacey Trien will walk you through the latest updates on compliance and give you the tools to successfully follow the most recent developments in state and federal employment requirements.

**Presenter:**

Stacey Trien is a founding partner at Adams Leclair LLP. She is a tenacious litigator with a focus on business litigation and employment law matters. She advocates for businesses and individuals involved in lawsuits arising out of contractual issues, employment law disputes, employment discrimination claims, wage and overtime disputes, education law, partnership and shareholder agreements, ERISA plans, federal and state warranty laws, property ownership disputes, commercial leases, securities disputes, and the determination of insurance issues.
